## 2020-2021 Annual Report and 2021-2022 Annual Plan

### 1. Introduction

The Student ServicesøFirst-Generation Student Center (First-Gen Student Center) houses four pre-college programs supporting high school students (Three Upward Bound programs and an Upward Bound Math and Science program) and four college programs supporting students attending UNR (TRIO Scholars, TRIO STEM Scholars, First in the Pack, and McNair Scholars program). Seven of our eight programs are funded by the US Department of Education TRIO programs, which defines them as:

All students should have an equal opportunity to prepare for, attend, and graduate from college without limitations dictated by family background, economic status or disability.
